If the requirements of Section 94.02 are not complied with, the Village may revoke any permit granted and/or initiate prosecution for a civil infraction violation. A person who has been issued a permit shall submit it for examination upon demand by any police officer or code enforcement officer. Notwithstanding the issuance of a permit by the Village, private restrictions on the use of property shall remain enforceable and take precedence over a permit. Private restrictions include but are not limited to deed restrictions, condominium master deed restrictions, neighborhood association by-laws, and covenant deeds. A permit issued to a person whose property is subject to private restrictions that prohibit the keeping of chickens is void. The interpretation and enforcement of the private restriction is the sole responsibility of the private parties involved.

I understand the above restrictions on the permit.
